

Kirklington Primary School

Key Stage 2 Assessment, 2018-2019 academic year

7 pupils

The government will not publish KS2 school level data for the 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current performance.

Statutory assessments returned for the first time since 2019, without adaptations, after disruption caused by the pandemic and are not required to be published on school websites.
