

A Modern Foreign Language (Spanish) at Kirklington is taught through the Twinkl Scheme:

Scheme overview:

In line with the National Curriculum for KS2, Pupils should be taught to:

Listening & speaking/oracy

- Children can listen attentively to spoken language and show understanding by joining in and responding.
- Children engage in conversation; ask and answer questions; express opinions and respond to those of others; seek clarification and help
- Children speak in sentences, using familiar vocabulary, phrases and basic language structures.
- Children develop accurate pronunciation and intonation so that others understand when they are using familiar words and phrases
- Children present ideas and information orally to a range of audiences
- Children describe people, places, things and actions orally

Reading & writing/Literacy

- Children read carefully and show understanding of words, phrases and simple writing.
- Children broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary.
- Children develop accurate pronunciation and intonation so that others understand when they are reading aloud familiar words and phrases.
- Children write phrases from memory, and adapt these to create new sentences, to express ideas clearly
- Children describe people, places, things and actions in writing.

Stories, songs, poems & rhymes

- Children explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.
- Children appreciate stories, songs, poems and rhymes in the language.

Grammar

- Children understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English.

How the Scheme is structured

Pupils will be taught to understand and communicate ideas, facts and feelings in speech and writing, focused on familiar and routine matters, using their knowledge of phonology, grammatical structures and vocabulary.

The units of work are for LKS2 and UKS2, arranged by Milestone, therefore they are not sequential but can be interchangeable within (but not between) each class. Each unit will provide a range of knowledge and skills appropriate for each stage and ensure progression from Milestone Two to Milestone Three. Each unit also follows a theme which aims to offer practice and embed knowledge and skills before moving to a different theme.
